

IX International Peach Symposium

We are delighted to invite you to the **IX International Peach Symposium**, held under the high patronage of the **Romanian Academy** – Section of Agriculture and Forestry Sciences and the auspices of the **International Society for Horticultural Sciences (ISHS)** and **Romanian Society of Horticulturists (SRH)**. The event will be organized by the **University of Agronomic Sciences and Veterinary Medicine of Bucharest, Faculty of Horticulture**, between 2 July and 6 July 2017 in București, Romania.

The Symposium will be comprised of plenary sessions, discipline focused sessions, workshops, and poster session and sponsors display where delegates can formally present, promote and discuss their work and products with other delegates.

The event will include an optional one day technical tour (July 5) at the Research Institute for Fruit Growing Pitești-Mărăcineni.

A Post Symposium Tour will be organized in some major peach production areas in Constanța region and Danube Delta.

We look forward to meeting you in București in July 2017!

The themes for the IX International Peach Symposium are:

- Genetics and Breeding
- Botany and Physiology
- Biotechnology
- Propagation and Nursery Practices
- Rootstocks
- Planting systems and Orchard Management
- Plant protection
- Postharvest Physiology
- Postharvest Management
- Product Development
- Marketing and Value chains
